

## FAQs

### Hospitality customers serviced by WCC Vancouver without a Web Store account

---

#### **Should I register for a Web Store and a Hospitality Product Catalogue account?**

- It is strongly recommended that hospitality customers served by WCC Vancouver register for a Web Store account. Once you have an active Web Store account, you do not need to register for a Hospitality Product Catalogue account. Wholesale prices will be automatically uploaded and visible in Web Store starting July 20, 2020.
- Step by step instructions to register for a Web Store account are posted at <https://wholesale.bcldb.com/resources/web-store>

#### **Do I automatically get wholesale prices once I'm registered on Web store?**

- Wholesale prices will be visible in Web Store and displayed on your Invoice starting July 20, 2020. Until then, all hospitality customers will continue to see retail price in Web Store and on their Invoices.
